# Navigating Opportunities for Small Business Owners on Long Island

## Let's Talk Procurement!

Join us for the first installment of our Procurement 101 Series. Participants will gain invaluable insights and resources to thrive in today's marketplace. This informative session is designed to empower and equip minority and women-owned businesses with the knowledge and tools needed to navigate and capitalize on available procurement opportunities.

## What to Expect:

- Overview of NCC & CDLI's bidding processes
- Networking Opportunities
- Updates on new and expanding vendor opportunities
- Financial tips and insights for you and your business

**Breakfast will be served**
