3) Pending College Procurement Amendment for Board Approval

Category of Contract /Procurement Type	Threshold for BOT Approval	Listed As	Contractor	Anticipated Additional Expenditure	Term of Agreement
Professional Service	\$50,000	B	Ingerman Smith, LLP	\$180,000	Five (5) Years- Expiring 10/31/2024

B. The original anticipated annual expenditure approved by the Board of Trustees was \$250,000 for each of the five (5) years of the contract term, for a total contract expenditure of \$1,250,000. Due to a vacancy that existed in the Office of General Counsel as a result of the departure of the Associate General Counsel, the Board of Trustees approved an increase to the maximum contract amount of \$250,000, bringing the contract value to \$1,500,000. The contract is in the last year of its term, and additional funding in the amount of \$180,000 is now necessary for continuation of services through the October 31, 2024 contract expiration date. This additional funding is needed due to a large volume of labor and contract issues arising during the subject time-period requiring legal services.

RESOLVED, that the pending Amended College Procurement Agreement with Ingerman Smith, LLP in the amount of \$180,000, as requested by Donna Haugen, College Counsel, is approved by the Nassau Community College Board of Trustees Finance and Capital Committee and will be recommended to the full Board of Trustees for approval.
