Take Control of Your Future this Summer

High School Juniors and Seniors – Get Ahead With College Courses at NCC

How to Apply

[Complete the high school enrichment admissions application.](#)

Requirements:

- Completion of the sophomore year (10th grade) in high school
- Acceptable general academic achievement in high school
- Permission of the high school principal or counselor
- A student signature, a parent/guardian signature and your school counselor (an email from your counselor will also be accepted)
- An application fee of \$55 must be submitted with your application. Your application cannot be submitted without this payment. We are currently adding this to the students bill since they cannot mail an application

Note: Please submit your official high school transcript and SAT and/or ACT scores as well as communication from your high school principal or counselor approving your readiness and participation for the High School Enrichment. Email the admissions application and all documents to admissions@ncc.edu

Available Courses

[Search and view available courses for the summer.](#)

Just add summer 2021 to the TERM field and click SUBMIT.

Please include the course department, course number and five-digit code associated with the class (example ENG 101 35465)

➡ After the application and all supporting documents are submitted, admissions will determine if the student is eligible to take the class(es) of his/her choice. Once that is determined, NCC will register him/her for the class(es), and follow up with the family with their NCC ID and information regarding payment.

To submit your application and for any admissions questions contact admissions@ncc.edu with your name and phone number.
