Days of the Week: **M** = Monday, **T** = Tuesday, **W** = Wednesday, **R** = Thursday, **F** = Friday, **S** = Saturday and **U** = Sunday

Payment and Deadlines: **Registration is not complete until you have either paid in full, enrolled in the Deferred Tuition Payment Plan (payment plan not available for summer or winter semesters) or we receive confirmation that you have enough financial aid to cover your balance.** Expected financial aid will be deducted from your bill only if the financial aid application process has been completed and all requested documents have been submitted. Please follow up with the financial aid office and/or check your status on MyNCC. **Once a payment is made, all subsequent course registrations will be held. Be sure to drop classes you will not attend, before the start of the semester.**

Summer 2025: If you register by May 4, 2025, you will receive a tuition bill via US mail and NCC email. View [Summer Payment Due Dates](#) for payment due date information. Students registering for Summer 2025, on or after May 5, 2025, 2024, will receive a tuition bill/class schedule via NCC email only, and must pay in full by **the 2nd business day after registration.**

Fall 2025: If you register by August 3, 2025, you will receive a tuition bill/class schedule via US mail and NCC email. The bill will reflect course registration on record at the time the bill is created. **Payment must be made by the due date on the bill, to avoid cancellation of your class schedule.** All subsequent registration changes should be viewed on MyNCC. You will not receive an updated bill.

If you register for fall 2025 on or after August 4, 2025, you will receive a tuition bill/class schedule via email only. Check your class schedule and account balance on MyNCC. View [Fall Payment Due Dates](#), for payment due date information. Payment may be made online before midnight or in person at the Bursar's Office by your payment due date. [Student Services-Hours of Operation](#)

Make your payment by the due date! Unpaid registrations may be canceled by the College. Students not planning to attend MUST drop their classes prior to the start of the semester or they will be responsible for payment.
