

Topic: Arctic Animals

Cognitive Development:

- Introduce animals that live in the arctic.
- Vocabulary words: penguin, polar bear, arctic wolf, snowy owl and seal.

Art:

- We will use paint and each child's foot to make a penguin.
- As a group, Infant One will make a large seal to hang on the Winter mural in the preschool gym.
- As a group, Infant Two will make a large penguin to hang on the Winter mural in the preschool gym.

Discovery:

- There will be fake fur for the babies to touch.

Language Development:

Books:

- Little Penguin and Little Polar Bear by Michael Anthony Steele
- Frosty Friends by Jo Rigg
- Baby Penguins Everywhere by Melissa Guion

Music:

- "Five Little Penguins"

Gross Motor Skills:

- The babies will crawl around our soft tunnel climber.
- Older babies can play in the indoor gym.
