

Theme: Mother's Day

Cognitive Development: The goals of this unit are to talk about:

- why mothers are special and all the important things they do for us.
- Other important women in our lives (grandmas, aunts and sisters).

Art:

- Each child will make a special Mother's Day gift.
- The children will help make giant rainbows with their handprints.

Discovery/Science:

- We will continue to take care of the seeds we planted to see what happens.

Language Development:

Books:

- The Mommy Book and The Grandma Book by Todd Parr
- What Mommies Do Best by Laura Numeroff

Music:

- Dr. Jean's "My Mother is a Baker"
- Raffi's "All I Really Need"
- Greg & Steve's "Friends Forever" and "The World is a Rainbow"

Gross Motor Skills:

- Encourage the children to kick the soccer ball and throw the basketball into the hoop.

Special Events:

- Wednesday, May 9th - Pizza Lunch - for \$3.50, your child can enjoy pizza, fruit and a drink for lunch. Please sign up in the office.
- May 10th & 16th - Matt the Music Man will be here to perform for the children at 11:00am.
