

# Toddler Two Group

May 7 - 16, 2018

## Theme: Mother's Day

**Cognitive Development:** Our goals are to:

- talk about mommies and why they are important.
- introduce the children to baby animals and their mothers.

Vocabulary words: mother, grandma and love.

**Art:**

- Each child will make a special Mother's Day gift.

**Math/Fine Motor Skills:**

- Sort different items by shape and color. As we sort, we will count the items.

**Gross Motor Skills:**

- Practice jumping with one foot/two feet over a line.

**Special Events:**

- May 9<sup>th</sup> - Pizza Lunch, for \$3.50 your child can enjoy pizza, fruit and a drink for lunch. Please sign up in the office.
- May 10<sup>th</sup> & 16<sup>th</sup> - Matt the Music Man will be here to perform for the children at 10:30am.

**Language Development:**

**Books:**

- Does a Kangaroo Have A Mother, Too? by Eric Carle
- The Mommy Book and The Grandma Book by Todd Parr
- Mama's Coming Home by Kate Banks
- My Mom by Debbie Bailey

**Music:**

- "You Are My Sunshine"
- "Five Little Ducks"
- Hap Palmer's "My Mommy Comes Back"

**Science/Discovery:**

- The children will help take care of the seeds we planted and watch what happens.
- Using picture cards, the children can identify baby animals and their mothers.

**Social/Emotional Development:**

- We will encourage the children to take turns and share.
