Other e-Portfolio Pros and Cons

Weebly- Can build a site that has access to One Square where you can sell merchandise, but you have to pay for the additional features

GoogleSites- Requires use of a Google Drive to store all your artifacts and data

VoiceThread- Can only have one medium per slide, can annotate over video or papers and add external links

*VoiceThread is the only other Third Party tool supported by NCC but not available to students upon graduation

Digital Badges and Microcredentials

SUNY Microcredentials

Inaugural recipient of the Business Council of NYS Workforce Innovation Award

The
Business
Council

- ☐ Digital Badges and Microcredentials can be displayed digitally upon successful completion of workshops, courses and trainings.
- ☐ Nassau Community College issues Digital Badges through Accredible.

Benefits to Digital Badges and Microcredentials

- ❑ **Showcase:** Skills Including Soft Skills (which may be harder to highlight on a resume)
- ❑ **Digital Badges:** Highlight your Achievements
- ❑ **Stackable:** Build on existing credentials with other micro credentials
- ❑ **Shareable**
- ❑ **Endorsable**
- ❑ **No paper**

The power of microcredentials from your hometown SUNY campus

SUNY's microcredentials are setting the standard nationally and internationally for high-quality, stackable credentials designed for today's learner. All of SUNY's microcredentials are designed to be:

High Quality

Academic quality is paramount in the development and approval of SUNY microcredentials.

Stackable

Each microcredential has immediate value and, where possible, stacks together with other microcredentials.

In-demand

Microcredentials are designed to meet current and emerging market needs and align with relevant industry standards.

Portable

Completion of our microcredentials is recorded on your transcript and/or highlighted in a digital badge so your accomplishments travel with you.
