

Make the **smart** choice for your future. **TRAIN TO BE AN EKG TECHNICIAN!**

Advance Your Career In Health Care

Do you have an interest in making a life-changing difference by helping people of all ages prevent and treat heart disease? Are you looking to expand your credentials in the healthcare field? Training to become an EKG Technician might be the right choice for you. The healthcare industry on Long Island is one of the fastest growing sectors, and the outlook for the EKG Technician job growth is projected to increase faster than average. Employment opportunities exist in doctor offices, hospitals, diagnostic offices and rehabilitation centers.

EKG Technicians perform electrocardiograms which monitor the patient's heart and can help detect certain heart conditions. Learn how to operate EKG equipment, gain valuable experience running the test on fellow students, and prepare for certification - all in three months! As a certified technician, job opportunities and salaries can increase. With further training or education, and credentials, over time you can advance your career in health care.

Course Information

Using a combination of classroom and lab learning, this course will prepare students to sit for the National Healthcare Association (NHA) EKG Technician Certification exam. Students will be taught the basic anatomy and physiology terminology associated with the heart and circulatory systems, signs and symptoms of diseases, and the electrophysiology/conduction system of the heart. Lab sessions will provide **hands-on practice**. Students will practice on other students in the class in order to meet the requirement for performing EKGs on live individuals. Students must attend all classes, pass all quizzes and the final, as well as complete all practical skills. **The course has 60 hours of instructor-led sessions in the classroom.**

Students are required to purchase the textbook, blue (any shade) scrubs and a blood pressure cuff and stethoscope. The course fee includes the NHA Study Guide, Practice Test and the cost of a one-time NHA/CET Certifying Exam.

CE1 235 ON-CAMPUS COURSE

The NHA certifying exam date is scheduled after course completion.

Fee: \$1,795

The current course schedule can be found at [CWD Course Schedule](#).

Certification

Students successfully completing the course will earn a Certificate of Completion from Nassau Community College. To sit for the certifying exam, candidates must meet the requirements specified by the NHA, <https://www.nhanow.com/get-certified>, including a high school diploma or equivalent, a current government-issued photo ID, and ten successful EKGs on a live individual.
