Take Control of Your Future

TRAIN TO BE AN EMERGENCY MEDICAL TECHNICIAN (EMT-BASIC)

Do you have an interest in helping others who are injured? Do you want to make a difference and be an important part of an emergency team? Train to become an EMT in only four (4) months. It is the first step on a pathway to a career as a paramedic or a variety of other careers in health care.

These technicians are skilled in the provision of basic life support for the many illnesses and accidents that require emergency medical treatment prior to arrival in a hospital emergency department. EMTs are trained in patient immobilization and packaging procedures needed to prevent further injury and to provide safe transport to an appropriate medical facility.

COURSE INFORMATION

In partnership with the Nassau County Emergency Medical Services Academy, NCC is offering the approved New York State Department of Health Emergency Medical Technician - Basic (EMT-B) course which will prepare you to become a certified EMT.

During 132 hours of class, students will complete the American Heart Association CPR course. In addition to classroom training, students must complete a clinical experience of 10 hours in an emergency room of a local hospital and may have an opportunity for a ride-along. Students must also complete three on-line classes, provided free of charge by FEMA. The textbook is required for the first day of class. Students should expect homework assignments after each class. Textbook and medical supplies are additional.

Instructor: Certified EMS Academy Instructor

CE1 211 A2 Meets remotely via Zoom for lectures and on campus for lab instruction: Monday and Wednesday, 7:00pm-10:00pm, Saturday, 1:00pm - 4:00pm.

Fee: $1,500

Note: If necessary, there may be changes to the course. Students are required to have a computer and Wi-Fi access to complete the course lectures.

CERTIFICATION

To qualify for the NYS Department of Health (NYSDOH) certifying exam, students must attend all classes, complete all assignments, have a clear (no felonies) background check*, and pass the final written exam and practical skills exam. Students must be 18 years of age by the written exam date. Students who pass the NYS exam will receive Emergency Medical Technician certification from NYSDOH. Course content meets the requirement for the National Registry Exam.

*(Applicants will be responsible to complete a background check to participate in an externship. Once registered, a student will be provided information on completing the background check. Students are required to pay the cost of the background check. If you have been convicted of a felony, you should contact the Center for Workforce Development prior to registering for this program. A felony conviction may prevent you from participating in a clinical rotation/externship portion of the program. All cases will be reviewed on an individual basis. If it is determined that a student is not eligible to go into a clinical setting, the student may be allowed to continue with only the classroom or online portion of the program and may not meet requirements to sit for a certifying exam. The refund policy will be adhered to regardless of a student’s eligibility for the clinical rotation/externship of any program.)
