Federal Direct Parent PLUS Request Form

This **credit-based** federal loan is available to parents of dependent undergraduate students who are enrolled at least half-time (6 credits per semester) in an eligible program leading to a degree or certificate.

- You must be the parent (custodial or non-custodial) or stepparent of the student. A stepparent is eligible to borrow a PLUS loan if her/his income and assets would be taken into account when calculating the dependent student's EFC. A legal guardian or another relative cannot apply.
- You must be a U.S. citizen or eligible non-citizen.
- This loan is based on approved credit. The applicant cannot be 90 days or more delinquent on the repayment of any debt; or the subject of a default determination, bankruptcy discharge, foreclosure, repossession, tax lien, wage garnishment, or write-off of a Title IV debt during the last five years.
- An origination fee is deducted from the gross amount of the loan, so the amount actually disbursed to the student's account will be less. The current origination fee is 4.288%
