

# Parent Refusal to Complete the \_\_\_\_\_ FAFSA Form aid year

**Student:** \_\_\_\_\_ **NCC ID (N#):** \_\_\_\_\_

**Student section**

You indicated on the FAFSA that you are unable to provide parental information. If you cannot obtain parental information and want to be considered for a Federal Unsubsidized Stafford Loan you and your parent must complete and sign all sections below and submit this form to the Office of Financial Aid for review.

Please be aware that the only financial aid you may qualify for without providing parent's information is an unsubsidized student loan. Interest accrues on an unsubsidized loan for the entire period you are attending school unless you pay the interest payments while still in school.

If you are interested in receiving an unsubsidized loan, you and your parent(s) must sign this statement and return the signed form along with a loan request form to the Financial Aid Office. To apply for all other grant aid, you will need to provide parent's information.

Your signature below indicates that you are affirming that your parents have refused to complete the FAFSA, have ceased to provide support including health or auto insurance, support for bills or living expenses and do not provide free room and board for even short periods of time and will no longer provide any support during the academic year.

- I refuse to provide my income information, which is necessary to determine my son/daughter's financial aid eligibility for grants (which do not need to be repaid) and/or subsidized loans (which are subsidized by the federal government while the student is attending school).
- I understand that providing parental information on the FAFSA in no way obligates me to provide any support to my child in his or her pursuit of higher education, yet I am still refusing to complete the FAFSA and provide parental information.
